## Emergency Preparedness Are You Ready for Your Next Disaster?

**Greg Barnes PT, M.B.A.**

Note to Participants: There are interactive pop-up questions throughout this lecture. If you choose to pause the lecture and return at a later time, a natural break time would be after answering the interactive questions. (You are able to pause at any time and the presentation will "remember" where you were. It's just a more natural time to pause after the interactive questions.) For your convenience, this outline reflects where/when within the lecture the interactive questions occur.

This lecture has 23 slides and is 30 minutes in duration.
